THE PRIORY SCHOOL
Tuesday 6th February 2018

The three Hitchin secondary schools have worked together for many years as a sixth form consortium. We currently have almost 700 students studying over 35 A Level and equivalent L3 qualifications, including further maths, a wide range of language, design & technology and expressive arts courses. We aim to meet the needs of all students through a high quality provision of appropriate learning and enrichment opportunities. We have an excellent track record of supporting students in applying to highly competitive courses in Higher Education, other academic routes, apprenticeships and alternative training pathways.

As part of our enrolment process for September 2018, each school is hosting an open morning event for external students on Tuesday 6th February. If you are considering post-16 education for 2018, you are warmly invited to attend.

Standard entry requirement to our Consortium is five Grade 9 – 4 GCSEs or equivalent, including a grade 4 or above in both Maths and English. Some subjects will have additional entry requirements.
