

## SIXTH FORM NEWSLETTER – SUMMER TERM 8

### HGS GOES DISPOSABLE PLASTIC FREE

As recently detailed in The Comet newspaper, from September, Hitchin Girls' will ensure that not only is all paper and plastic waste recycled, but it will aim to be free of disposable plastics.

*(left, Mrs Manning with student council students)*

Rachel Campbell from the Clean Up Hitchin project, who has been helping the school council look at ways to accomplish this commented that she was thrilled HGS is taking such positive, important steps and she looks forward to working with us to make as much progress as we can. They will be sharing their learning with school.

Form representatives have chosen a new school skirt containing 100% recycled bottles. In the dining room, all cutlery and packaging for takeaway lunches will be replaced with biodegradable, disposable alternatives within 12 weeks.

It is hoped that, if successful, HGS' initiative will be extended across North Herts schools.

### INTERNATIONAL MUSIC TOUR

A letter was sent home to Year 12 parents/carers this week regarding a Choir Tour to Germany in 2019. This will take place at the end of the Summer term and into the first week of the holidays (19 July – 23 July 2019). The tour will be an unforgettable opportunity for ensemble members to perform in exciting venues together, supporting their musical learning. A deposit can be made via Parentpay.

### YEAR 12 – MORRISBY CAREERS PROFILE

Any students that have applied for the Morrisby Careers Profile that are also participating in District Athletics on 27 June must prioritise the sporting activity. The profiling will take place on an additional day in the new academic year, to be confirmed.

### SWITZERLAND TRIP

An Information Evening for those travelling on the Switzerland trip will take place at 6.30pm on Tuesday, 26 6.30pm in the Main Hall. Students should bring their passport and EHIC card.

University of Hertfordshire **UH** School of Engineering and Technology

**Girls in Engineering**

To mark the 100th anniversary of International Women's Day and 2018 The Year of Engineering

The School of Engineering and Technology at the University of Hertfordshire is hosting a special event to celebrate the occasion.

Our exciting on campus activities include:

<b>Eggnaut experiment</b>	<b>Marshmallow Challenge</b>	<b>Building Electric Circuits</b>
---------------------------	------------------------------	-----------------------------------

**Saturday 30 June 2018**

We are inviting all girls and young adults (from year 8 through to year 12) along with their parents to delve into the world of engineering and technology and its endless opportunities.

**GIE offers you the opportunity to:**

- Gain hands on experience of engineering through our activities
- Understand how engineering and technology impacts society
- Meet our current engineering and technology students, graduates and lecturers
- Get involved in practical activities
- See demonstrations of our flight and F1 simulators

Parents and siblings, we haven't forgotten about you! We invite you to get involved in the activities or sit back and relax in our parents only zone.

**Register for GIE now!**

Date: 30 June, 2018  
 Times: 10.00 - 16.00  
 Register: [go.herts.ac.uk/GIE](http://go.herts.ac.uk/GIE)

We are organising a range of activities, barbeque and interesting talks. Please arrive in good time to benefit from everything we have to offer.

**We look forward to welcoming you to the School of Engineering and Technology.**

You are invited to Schroders 'Women in Investment Management' Event

## Schroders

Schroders will open their doors to female students eager to explore career opportunities in the investment management industry. The 'Women in Investment Management' event is your chance to put the focus on your career, discover our business and the career paths we offer.

Whether you already have the ambition to work in the investment management industry, or are unclear where you want to take your career. The day will offer you an overview of the industry, opportunities to network with people in the business, as well as be involved in talks and panel events with Schroders and Investment20/20 representatives.

### Key Information:

**Date:** 6th July 2018

**Time:** 10-4 pm

**Location:** Schroders, 31 Gresham Street, London, EC2V 7QA

This event is perfect for females, 16, and over, who are considering graduate, apprenticeship or school leaver opportunities. Make sure you register before the 17th June 2018.
