This section gives a summary of the allocations made for pupils applying to secondary or upper schools, and is broken down by the primary, junior or middle school the applicant listed as the current school on their application. The data includes on-time and late applications from Hertfordshire and out county applicants who attend Hertfordshire primary, junior or middle schools. The data is displayed for the 2024 and 2023 admissions processes.

If you wish to search for a particular school or town, please press Ctrl+F and type in the word you are looking for. Please be aware however that doing this will search this entire document, not just the specific report you are looking at.

NOTES

- We do not hold allocation information for applicants living outside Hertfordshire unless they have been allocated a Hertfordshire Secondary/Upper school. Therefore, the number of ranked allocations plus the number of non-ranked allocations may not always equal the number of applicants. For the same reason a school with only ranked allocations may not show as 100% ranked.
