Aspiration Perseverance Kindness Respect Positivity

Community - Family - Relationships

1. Aims

Students at Hitchin Girls' School are proud to wear the uniform that represents their school and our community. Our uniform supports equity and enables inclusion for all.

Through our uniform policy and expectations we aim to:

- Encourage pride in the school.
- Encourage a sense of belonging, equality and cohesion.
- Protect students from social pressures to dress in a particular way.
- Ensure that students of different social, religious and ethnic groups feel welcome.
- Support teaching and learning.
- Provide a safe and secure environment in which students learn how to dress appropriately.

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.
- Outline the consequences for students who choose not to adhere to the uniform code.

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- Give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender in line with our uniform list.
- Make sure that our uniform costs the same for all students.
- Allow students to request changes to swimwear for religious reasons or gender identity reasons.
- Allow students to wear headscarves and/or other religious garments in line with our uniform list.
- Allow students with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs.
- Allow for reasonable adaptations to our policy on the grounds of equality in relation to their protected characteristics by asking students or their parents/carers to get in touch with their child's Head of Year, who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis.

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price. A full review of our uniform was completed in the academic year 2021-2022 in order to meet these guidelines. As a school we will also meet any requirements resulting from the finalised 'Children's Wellbeing and Schools Bill'.

We will make sure our uniform:

- Is available at a reasonable cost.
- Provides the best value for money for parents/carers.

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- Limiting any items with distinctive characteristics i.e. our school badge where possible.
- Considering cheaper alternatives to school-branded items as long as this doesn't compromise quality and durability.
- Avoiding specific requirements for items students could wear on non-school days, such as coats, bags and shoes.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller.
- Avoiding different uniform requirements for each different year/class/house groups.
- Avoiding different uniform requirements for extra-curricular activities.
- Considering alternative methods for signalling differences in groups for inter school competitions, such as creating posters or labels.
- Making sure that arrangements are in place for parents to acquire second-hand uniform items and through the [Hitchin Educational Foundation](#).
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes.
- Consulting with parents and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

4. Expectations for school uniform

- No adaptations or additions can be made, unless authorised under Equality Act (2010) provisions – see section 2.

If a student **refuses** to rectify the infringement, they will be issued with at least a 90 minute after-school detention depending on the level of defiance for refusing to follow instructions in line with the school's Behaviour for Learning policy.

- In the case of jewellery and other accessories, the student will be asked to remove the item, which will then be confiscated until the end of that half-term. If a student **refuses** to hand over the item, they will be issued with at least a 90 minute after-school detention, depending on the level of defiance, for refusing to follow instructions in line with the school's Behaviour for Learning policy.
- For PE lessons, if a student **refuses** to remove jewellery they will receive a C4: on-call sanction. Where a student has forgotten their PE kit, they are expected to borrow kit from the department in order to participate. Should a student refuse to wear the kit that has been offered, they will receive a C4: on-call sanction.
- If a student ***repeatedly fails to meet our uniform expectations with no valid reason*** they will be issued with a Stage 1: Green Progress Booklet in line with the school's Behaviour for Learning policy and monitored over a period of four weeks to support them to meet the school's uniform expectations.
