EXTRA CURRICULAR ACTIVITY - MORE INFORMATION

Ancient Greek Club	This club offers you the chance to learn Ancient Greek from scratch. We start by learning the alphabet as Greek uses different letters to English, we then build up your knowledge of the language through lots of engaging activities, games and practice. We also learn about the Ancient Greek world. If you enjoy languages, Classics or History this will be a great club for you to try out.
Art Club	A chance for students in Year 7 & 8 to create art through a series of 6 mini projects.
Beginners - Japanese Club	A chance to learn some basics of Japanese language and culture! No previous knowledge needed.
Biology Club	A Year 7 club for all things Biology and related Sciences.
Chemistry Cafe	Chemistry help for yr10 and 11.
Chess Club	Play chess against other students or against the computer.
Creative Writing	The creative writing club invites writers of all genres to come explore the art and craft of writing in a safe and inspirational group of fellow writers. We alternate between writer's craft and writer's workshop to allow opportunities to explore writing strategies and techniques, and share their work.
Diversity Club	A club for students who care about making the world a better place and finding ways to champion equity, diversity and inclusion.
Drama Club	Fun club to enjoy drama.
Eco Club	A club for all year groups looking to improve the school's (and planters!) environment & biodiversity.

Fridays IDEA Club	IDEA is an online qualification that is becoming increasingly well recognised and valued by employers and is a kind of digital skills based equivalent to the DofE award. There are three levels of achievement, Bronze, Silver and Gold (which is not yet fully released), all of which end with a certificate of achievement.
History Support Club	Questions and support with anything to do with GCSE History. Go over exam question technique and get to grips with key skills for the GCSE.
LGBTQ+ Club	A club for members and allies of the LGBTQ+ community. This is a safe space and all are welcome.
Library Goblins	A wide variety of book related activities - charades, decorating the library, book awards.
Maths Surgery	Drop in sessions to get support with specific maths topics.
Media Club	Having fun making media products such as music videos, adverts and podcasts. Bring lunch and Chromebooks.
Medroc	This is a society for older students interested in taking a medical related career post 18.
Reading Group – Library Goblins	Join other book lovers for fun book related activities.
Scale Model / Miniature Interiors Club	Students will be learning how to make scale models and mini interiors. Students will be trained to use CAD/CAM and how to use a range of materials to make miniature sets and rooms.
Science Club	Fun science activities/practicals/demonstrations

Textiles Club	An opportunity for students to experience a range of different textile techniques to create some fun outcomes.
