

Year 8 Terms	Higher	Foundation
1	Solve Equations, Change the Subject, Indices & Standard Form, Inequalities,	Number Properties, Solve Equations, Change the Subject, Indices & Standard Form, Inequalities, Written Methods
2	Multiply & Divide Fractions, Probability & Set Notation, Expressions & Formulae, Area & Surface Area, Angles	Fractions of an amount, Multiply & Divide Fractions, Probability & Set Notation, Expressions, Area, Angles
3	Angles in Polygons, Bearings & Scale Drawings, Analysing and Representing Data, Fractions, Decimals & Percentages	Division, Bearings & Scale Drawings, Analysing and Representing Data, Fractions, Decimals & Percentages, Add & Subtract Fractions
4	Travel Graphs, Real-life Graphs, Transformations, Proportion, Ratio	Travel Graphs & Real-life Graphs, Coordinates & Graphs Transformations, Proportion, Ratio
5	Area & Circumference of Circle Straight Line Graphs, Simultaneous Equations, Volume of Prisms & Cylinders	Area & Circumference of Circle, Straight Line Graphs, Conversion Graphs, Equations & Simultaneous Eqns, Volume
6	Pythagoras' Theorem, Constructions, Factorise, Rounding & Estimation, Error Intervals, Inference	Rounding & Estimation, Multiplication & Division, Constructions, Factorise, Error Intervals, Inference
