CRE8

Liam Foster from Cre8 Academy

https://learntocre8.com/

Cre8 are a small training provider that runs a L3 Creative Media production course in Stevenage.

At CRE8 – Creative Industry Academy, we offer an exciting alternative to traditional college education for young people aged 16-19 who want to explore their creativity, develop new skills and pursue their passions.

Our Creative Industry courses provide students with the opportunity to develop practical skills across design, photography, video production, audio production, social media, digital marketing, content creation and more.

Stageworks

STAGEWORKS
STUDIOS

At Stageworks, we are proud to offer full-time, professional training for students aged 16-21 who are passionate about performing. Our foundation level courses are available in Musical Theatre or Acting. All students train five days a week and are taught by leading industry experts. Students receive a personalised training programme and train in small classes (approx. 10-15 students). Each year group is a maximum of 40 students which allows for key one-to-one contact time and continued professional and pastoral support throughout the course.
Our students have the opportunity to take part in full productions with professional set and costumes, which gives them the necessary experience on a professional stage. Our purpose-built studios are easily accessible via train from Hitchin and North Herts we can also provide accommodation for students who are moving away from home.

Our courses have a 100% success rate, and our graduates are now performing around the world and in the West End, as well as undertaking further training in establishments such as Mountview, GSA, Bird College and The Urdang Academy.
