MONTH

HEALTHY SCHOOLS

CHALLENGE: What is your history?

Your challenge this week is to think about the story that has made you who you are. What is your ancestry? Do you know?

If members of your form are happy sharing, talk to each other about your family, your story, the journey you have been on.

If you don't know much, can you ask at home to find out more?

What can you learn from the speaker who is coming in today?

WE all SHOULD know That
DIVERSITY makes for a rich
tapestry, AND WE MUST
understand that all the
threads of the tapestry
are EQUAL in Value no
matter what their color.

We are fighting for a world that is radically inclusive—where we, as a global community, don't just tolerate differences, we celebrate them.
