Packet Soup

How will the Food Drive work?

1. On the 9th December your donations can be brought in to school and placed in the crates which will be located in Main School in reception, Lower School outside the Lower School Hall and in Woodside outside W93.
2. Please place your donations in the crates provided - there will be sixth formers on hand to help show you what to do.
3. Some form tutors do pop boxes in form rooms so donations can be made all week. If your form does this please can someone be in charge of bringing it down during registration on the 9th December.
4. Please ensure that all donations have a long sell by date on them too please.

AND FINALLY THE LAST WORD FROM LADBABY AND FRIENDS
