- Tailored 1-to-1 support.
- Supporting referrals to other agencies and partners.
- Implementing additional security to keep families safe to return home.
- Support with fleeing to a place of safety – Including SADA Refuge provision.
- Providing help with housing issues, including SADA Safe Space provision – SADA have been working with local private landlords since 2016 to source and manage safe accommodation for victims and survivors of domestic abuse, providing more opportunities for victims to flee from abusive situations.
- Basic need provision (food, toiletries, household items).
- Debt and benefits advice and guidance.
- Support accessing legal advice and support.
- Regular SADA Drop-In sessions available virtually.
- You Me and Mum course, to help parents to support their children.
- Domestic abuse training to partner agencies.

SADA works collaboratively with partner agencies to provide support to victims, survivors and those closest to them.
