How Can I Arrange Lessons?

For lessons in MOST schools, contact your own school. If they do not offer the instrument you want, it is still worth asking as if there is sufficient interest and the school has the facilities, it may be possible for us to arrange lessons for them.

For some schools music lessons the parents are billed directly, rather than through school. You can fill in a form [HERE](#) to enquire about lessons in direct billed schools. If your school does not appear in the list, it is not a direct billed school.

Click [HERE](#) for a list of Direct Billed Schools

For tuition at your local Music Centre, [My Local Centre](#) will help you find out what instruments are on offer at each centre. You can fill in a form [HERE](#) to enquire about lessons. If there are no vacancies, you will be put on a waiting list.

Hitchin Girls' School is a 'direct billed school' so click here to enquire about lessons.

You will then need to create an account in order to apply for lessons. Please choose the option to have lessons at Hitchin Girls' School. Lessons are administered by Hertfordshire Music Service.
