Dropping off or picking up students

Dear Parent/Carer,

As we come towards the end of the term, I want to remind all parents/carers that drop-off and pick-up is a particularly vulnerable time for our students and road safety.

I would request that you please do not use the following areas to drop-off or pick-up your children:

- Main school entrance - this includes pulling in to or turning around in the entrance
- Wymondley Road in or near the staff car park or zebra crossing
- The Music School car park

Additionally, vehicles should not be stopping on the zig-zag lines outside the school.

It is also important that you remind your children that they are not allowed to use the school car parks to walk through to get to their destination. Staff are driving in and out during these times. They must also use the bridge to cross Highbury Road.

We realise that getting your child to school, during an already busy time of day, is difficult but it is extremely important that you adhere to this for the safety of our students and staff.

Yours faithfully,

Mr. J Crowther
Headteacher
