Dear Parents/Carers,

In order to support your child's GCSE History revision, the History department strongly recommends each student has a copy of the following Revision Guide in order to assist your child with their GCSE History studies:

My Revision Notes: AQA GCSE History (9-1) Second Edition  
ISBN: 9781510455610

The recommended retail price is £11.99 however we have negotiated a discount by ordering through the school and can obtain them for £9.00 each.

Families who are in receipt of Pupil Premium funding are able to request this revision guide via their allocated funding. Please complete this short [Google Form](#) if this applies to you.

If as a family you are currently experiencing financial difficulties but do not receive the funding outlined above, please contact our finance team on [finance@hgs.herts.sch.uk](mailto:finance@hgs.herts.sch.uk) to discuss options available to you.

Payment should be made via the online ParentPay facility at [www.parentpay.co.uk](http://www.parentpay.co.uk). If you experience any problems using ParentPay please contact our finance office as above.

Payment is required by 3.30pm on Friday 17 October 2025 in order that we can process the order.
