

Hitchin Sixth Form Consortium

January 2026

Dear Parent / Carer

Year 12 Parents' Evening - Tuesday 24th February 2026

We would like to invite you to attend our remote Consortium Parents' Evening on Tuesday 24th February 2026.

Parents' evening will be operating as a virtual open evening system which involves easy and intuitive online bookings for video calls. The system allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. The system is pre-populated with the relevant staff for each student. Each of the schools in the Consortium are using the same software, however, a different login will be required to access each school's Parents' Evening event and booking system. Bookings will open on Monday 2nd February at 9am. Bookings will close on Friday 20th February at noon.

For appointments with teachers at Hitchin Girls' School:

Please visit <https://hitchingirls.schoolcloud.co.uk/> to book your appointments.

Please note due to the number of classes running in psychology the department will be running an additional slot on Monday 23rd February from 4:15 - 6pm and extended times on Tuesday 24th February starting at 4pm and finishing at 7.30.

For appointments with teachers at Hitchin Boys' School:

Please visit <https://hitchinboys.schoolcloud.co.uk/> to book your appointments.

For appointments with teachers at The Priory School:

Please visit <https://thepriory.schoolcloud.co.uk/> to book your appointments.

On the evening itself it is our expectation that parents and students will take part in the meetings with their teachers. Appointments will be up to 7 minutes in duration and will begin automatically at the scheduled time - they cannot be rescheduled on the evening and the time allocated cannot be extended.

Login with the following information: parent first name, parent surname, student date of birth and parent email address. Note: these details will need to match those which are retained on the school records. The system will allow parents / carers at different addresses to access the same appointment.

Please use the link below to access some further guidance on how the appointments will work on the evening:

We recommend that parents/carers leave a gap between appointments as this allows time to discuss the content of the meeting as a family before moving onto the next appointment.

If your child is taught across the Consortium schools then it is recommended that at least 10 minutes is left between appointments as this will allow sufficient time for logging out and logging in to each school's platform.

Yours faithfully
