Residential Trip - Caythorpe Hall – 14-16 October 2026

Dear Parent/Carer,

Further to our previous letter concerning the forthcoming residential course for your child's year, we would like to offer you more information about the content of the programme we wish to undertake.

The students will take part in a variety of challenges and team-building activities while on the trip. The programme will include abseiling and climbing (on a purpose-built tower), problem-solving courses, a giant swing and raft building.

A full programme of evening activities will also be provided (details to follow).

Before the trip takes place, a final letter will be sent to you including a more detailed itinerary. There will also be a parents' evening in September to discuss last-minute arrangements.

Please can I remind you that the final balance of the £275 is due to be paid by **Tuesday 2 June 2026** via Parentpay.

Please complete the attached form regarding your child's medical information and return to the student reception office before Friday 22 May 2026.

Yours sincerely,

Sara Edwards
